

## Engagement Facilitator Position Description

<b>Position Title</b>	Engagement Facilitator	
<b>Position Purpose</b>	Deliver CSEC training and campaigning priorities, and work with the Director to develop a collaborative approach to ending CSEC.	
<b>Hours</b>	20 hours per week – 2 year contract	
<b>Reports to</b>	Director	
<b>Key Relationships</b>	<b>Internal</b> Board Financial Administrator Volunteers	<b>External</b> Stop CSEC Collaborators and Key stakeholders Current and future ECPAT Partners and Supporters

Activities	Outcomes
<b>Facilitating CSEC Training</b>	
With the Director, work with agencies and groups to identify learning needs and design awareness and skills development programmes.	Training and Development programmes meet the needs of participants.
Use a range of facilitation skills to meet the learning needs of participants.	80% of participants rate the delivery of programmes as good or excellent.
Empower training participants to understand and contribute to ECPAT's theory of change to identify and stop CSEC.	Identification of CSEC is increased. Participants have knowledge about action that they can take to reduce CSEC.
<b>Contribute to collaborative approach to ending CSEC in NZ</b>	
Support the Director to develop productive relationships with participating agencies and groups, with a particular focus on social workers and frontline community workers.	Key contributors to ending CSEC are attending meetings regularly and contributing to shared goals and activities.
Support the Director to establish a network of social workers actively addressing CSEC.	Network is active, members have received CSEC training and are contributing towards achieving ECPAT goals and Theory of Change for ending CSEC.
Lead the development of the CSEC referral pathways mapping project.	Referral pathways mapped out and advocacy coordinated to fill gaps in service provision.
<b>Programme Management</b>	
Contribute actively to the ECPAT vision, theory of change and strategy delivery through planned activity in collaboration with the ECPAT Board and staff. This may include: Programme design, development and delivery; Contribute to development of expertise, research and knowledge in CSEC; Profile Raising through campaigns and social media; Accountability reporting and evaluation; Administration;	ECPAT is delivering on its contracts and priorities to work towards a world that no longer tolerates the sexual exploitation of children.

Health, Safety and Risk Management;  
Other activities as planned.
